Dear.....*Adam*.....,

We have recently been very pleased to receive a number of tickets to the Circus paid for with your donation. Our setting provides childcare and early support to some of the most deprived areas of Luton. The tickets have enabled us to organise an outing to the circus which will be benefit many of our families. Many of these families would never of had the opportunity to visit the circus without your generous donation. Many thanks for supporting our Children's Centre.

Yours Sincerely  
Mrs Julie Woodhouse
